Teen Titans Go

There once was a creature that was a mix of animals. People called him The Master. He wanted to rule the world, but needed someone to do his bidding, so he created Raven. Raven was given some of her father's powers. Her father, The Master, was always very cold towards her. At first she couldn't really control her powers, but she tried hard to. After eight years, she got fed up of serving The Master, so she ran away. She met Robin, Starfire, Cyborg and Beastboy. They took her in. The next day, they helped her train. The team were just about to doze off when their alarms went off for them to save the city. They expected it to be Slade, (an enemy of theirs) but it was The Master coming for Raven. He was REALLY mad at her. "Why did you run away?" He boomed in a voice that shook the ground. "I ran away because I hate serving you and I didn't have anyone to talk to!" Raven screamed back. Half an hour later they were back at the tower while Raven told them about a prophecy that was about her. "Titans! Go!" Robin yelled suddenly running for the door. It was AGAIN The Master coming for Raven. "Azarath, Metrion, Zinthos!" Raven accidentally cried out. As soon as she said that, a black sort of shield thing went up around them and their tower. "Does he have any weaknesses?" Cyborg wondered out loud. "One. Only one." Raven replied. "Well?" Beastboy asked. "Peanut butter and gravy mixed together." Replied Raven to no-one in particular. "We have gravy and the butter of peanuts back at the tower."

Teen Titans Go

Starfire told her eagerly. “Whatever, JUST HURRY UP!!!!!! I can’t hold him off forever you know!” she yelled at Robin and Starfire who were mixing peanut butter and gravy together in Beastboy (who had turned into a pot). “He’s probably going to land about here!” Cyborg called, marking a spot in the dust. “Beastboy!” Robin called, “Sprout legs and walk in front of the X!” Beastboy did as he was told, but because he couldn’t see very well he wandered around so much that Starfire had to pick him up and place him in front of the X so when The Master fell, the ‘repellent’ would be right in his face. “Titans! Now!” Robin ordered. As soon as Robin said that, Raven dropped the shield and everyone ran except Beastboy. As soon as The Master got a whiff of the ‘repellent’, he started doing a full-on jig as all his anger and powers had vanished “Is that supposed to happen?” Cyborg asked. “I think so.” A Raven answered. The Emerald Palace

I was dreaming about our first clue when Blue Rider grew even more serious.

“ Knight, it's time for me to take you to one of the most secret places in the kingdom of fantasy.” He whispered, “ Chatterclaws poked his head out of a bucket full of algae. “Wait!”, he shouted. “ You can't take him there. That place has been secret forever and ever.” Honestly, I was a little upset that Chatterclaws thought I couldn't keep a secret, after all my name wasn't Chatterclaws!

Blue Rider stood up for me. “ I am sorry Chatterclaws, but we need Sir Geronimo's help”, Blue rider said. “ He is an honourable rodent. He will keep our secret.” Then Blue Rider turned towards me strongly, “ Follow me,” he said. “ We need to hurry!” He lead me to the throne room, where he stopped in front of the Crystal fireplace.

Above the fireplace was a symbol of fantasy writing in the centre.

It said, “ Find a secret space inside this magic place.” “ How interesting!!” Blue rider looked around to make sure no one was spying on us. Then he pressed his hand against the green stone beneath the writing. The back of the fireplace opened up to reveal a secret passage. I followed Blue Rider inside. We climbed the winding spiral staircase and then went through a trapdoor in the ceiling finally I found the treasure.
